

Information For the User
Levosalbutamol (0.5mg/5ml) + Ambroxol (15mg/5ml) + Guaifenesin (50mg/5ml) Syrup

Cufstik LS Junior Syrup

Brand Name: Cufstik LS Junior

Dosage Form: Syrup

Composition:

Each 5 ml contains:

- Levosalbutamol Sulphate IP 0.5 mg
- Ambroxol Hydrochloride IP 15 mg
- Guaiphenesin IP 50 mg

Description:

Cufstik LS Junior Syrup is a combination of a bronchodilator, mucolytic, and expectorant indicated for the management of productive cough and bronchospasm in pediatric patients. It helps in relaxing airway smooth muscles, thinning bronchial secretions, and promoting effective mucus clearance.

Indications:

Indicated for the treatment of:

- Bronchial asthma with mucus obstruction
- Acute and chronic bronchitis
- Productive cough in pediatric patients
- Other respiratory tract conditions associated with bronchospasm and thickened secretions

It helps in relieving bronchospasm, loosening mucus, and facilitating expectoration.

Dosage & Administration:

Dosage should be as prescribed by the physician.

Shake well before use.

Use a calibrated measuring cup or spoon for accurate dosing.

Pharmacological Action:

Levosalbutamol is a selective β_2 -adrenergic agonist that relaxes bronchial smooth muscles, producing bronchodilation. Ambroxol acts as a mucolytic by reducing the viscosity of bronchial secretions. Guaifenesin is an expectorant that increases the volume and reduces the adhesiveness of respiratory secretions, facilitating their removal.

Side Effects:

Generally well tolerated.

Occasionally, mild tremors, headache, palpitations, nausea, or gastrointestinal discomfort may occur.

Precautions & Warnings:

- Use with caution in patients with cardiovascular disorders
- Use under medical supervision in pediatric patients
- Do not exceed the recommended dosage

Drug Interactions:

Concomitant use with other sympathomimetic agents or xanthine derivatives should be done with caution. No clinically significant interactions have been reported when used as directed.

Storage:

Store below 25°C in a cool, dry place.

Protect from light and moisture.

Keep out of reach of children.
