

# Dozodox Drops

**Brand Name:** Dozodox Drop

**Dosage Form:** Drops

**Composition:**

Each 1 ml contains:

- Cefpodoxime Proxetil IP 25 mg

**Description:**

Dozodox Drop contains Cefpodoxime Proxetil, a third-generation cephalosporin antibiotic. It helps in the treatment of bacterial infections by inhibiting bacterial cell wall synthesis, leading to bacterial lysis and death.

**Indications:**

Indicated for the treatment of:

- Respiratory tract infections including bronchitis and pneumonia
- Otitis media
- Urinary tract infections
- Skin and soft tissue infections

It helps in controlling infections caused by susceptible Gram-positive and Gram-negative bacteria.

**Dosage & Administration:**

Dosage should be as directed by the physician.

Shake the bottle well before each use.

Use the calibrated dropper provided for accurate dosing.

**Pharmacological Action:**

Cefpodoxime Proxetil is a  $\beta$ -lactam antibiotic. It is hydrolyzed to the active drug cefpodoxime, which inhibits bacterial cell wall synthesis, producing bactericidal effects.

**Side Effects:**

Mild diarrhea, nausea, or skin rash may occur in some patients.

**Precautions & Warnings:**

- Use with caution in patients with renal impairment
- Hypersensitivity reactions may occur in susceptible individuals
- Prolonged therapy may result in superinfection

**Drug Interactions:**

May interact with antacids or other nephrotoxic drugs; use under medical supervision.

**Storage:**

Store below 25°C in a cool, dry place.

Keep the bottle tightly closed and out of reach of children.

Manufactured in India for:

**Cafoli Lifecare Pvt. Ltd.**
