Description:

Multivolt Drop is a pediatric nutritional supplement containing essential vitamins, minerals, and amino acids. It helps in supporting growth, immunity, and overall development in infants and young children.

Indications:

Indicated for:

- Nutritional deficiencies
- Poor appetite
- Supporting growth and development
- Enhancing immunity
- Convalescence

It helps in maintaining adequate micronutrient levels in growing children.

Dosage & Administration:

To be used as directed by the physician.

Administer orally with the provided dropper.

Pharmacological Action:

Provides a balanced combination of vitamins, minerals, and amino acids that help in:

- Cellular growth and tissue repair
- Strengthening immune function
- Improving appetite and metabolism

Side Effects:

Mild gastrointestinal discomfort or hypersensitivity reactions may occur in rare cases.

Precautions & Warnings:

- Use with caution in children with hypersensitivity to any ingredient
- Do not exceed the recommended dose
- Vitamin overdose may lead to toxicity

Drug Interactions:

No major interactions reported at recommended pediatric doses.

Storage:

Store below **25°C** in a cool and dry place.

Protect from sunlight and moisture.

Keep out of reach of children.

Manufactured in India for:

Cafoli Lifecare Pvt. Ltd.
