

Help HER to grow properly with

ArgipairTM Sachet

ArgipairTM L-Arginine (3gm) + Proanthocyanidin (75mg) Sachet

ArgipairTM-Plus L-Arginine 3g + Proanthocyanidins 75mg +
Folic Acid 5mg + Zinc 22.5mg Sachet

- ☐ **L-arginine** increases production of nitric oxide (NO) which improves blood flow, supporting normal blood pressure.
- ☐ **Proanthocyanidin** provides antioxidant support and improves microcirculation-inhibiting platelet aggregation.

Abnormal fetal birth weight

Placental insufficiency

Pre-term delivery

Pre-eclampsia and IUGR

Makes you strong internally
