

Information For the User
Bisoprolol 2.5mg + Amlodipine 5mg Tablet

Bisopair AM 2.5 Tablet

Bisopair AM 2.5 Tablet

Dosage Form: Tablet

Composition:

Each film coated tablet contains:

Bisoprolol Fumarate I.P. equivalent to Bisoprolol 2.5 mg

Amlodipine Besylate I.P. equivalent to Amlodipine 5 mg

Description:

Bisopair AM 2.5 Tablet is a combination formulation containing Bisoprolol, a selective beta-1 adrenergic receptor blocker, and Amlodipine, a calcium channel blocker. It is used in the management of hypertension and certain cardiovascular conditions. The combination works by reducing heart rate and relaxing blood vessels, thereby improving blood circulation and effectively controlling blood pressure.

Indications:

Hypertension

Chronic stable angina

Prevention of cardiovascular complications associated with high blood pressure

Dosage & Administration:

Dosage should be taken as directed by the physician.

Tablet should be swallowed whole with water, preferably at the same time each day.

Pharmacological Action:

Bisoprolol selectively blocks beta-1 adrenergic receptors in the heart, reducing heart rate, cardiac output, and myocardial oxygen demand.

Amlodipine inhibits calcium influx in vascular smooth muscle and cardiac muscle, causing vasodilation and improved peripheral blood flow.

The combined action helps achieve better control of blood pressure and reduces cardiac workload.

Side Effects:

Dizziness

Fatigue

Headache

Peripheral edema

Bradycardia

Precautions & Warnings:

Use under medical supervision only.

Use cautiously in patients with severe bradycardia, heart block, or heart failure.

Regular monitoring of blood pressure and heart rate is recommended during therapy.

Not recommended during pregnancy and lactation unless prescribed by a physician.

Drug Interactions:

May interact with other antihypertensive drugs, beta blockers, calcium channel blockers, and antiarrhythmic agents.

Consult physician before using with other medications.

Storage:

Store below 25°C in a dry place.

Protect from light and moisture.

Keep out of reach of children.
