

Information For the User
Bisoprolol 5mg + Amlodipine 5mg Tablet

Bisopair AM 5 Tablet

Bisopair AM 5 Tablet

Dosage Form: Tablet

Composition:

Each film coated tablet contains:

Bisoprolol Fumarate I.P. equivalent to Bisoprolol 5 mg

Amlodipine Besylate I.P. equivalent to Amlodipine 5 mg

Description:

Bisopair AM 5 Tablet is a combination formulation containing Bisoprolol, a selective beta-1 adrenergic blocker, and Amlodipine, a calcium channel blocker. This combination is used in the management of hypertension and cardiovascular conditions. It works by reducing heart rate, relaxing blood vessels, and improving blood circulation, thereby helping to effectively control blood pressure and reduce cardiovascular risk.

Indications:

Hypertension

Chronic stable angina

Prevention of cardiovascular complications associated with high blood pressure

Dosage & Administration:

Dosage should be taken as directed by the physician.

Tablet should be swallowed whole with water, preferably at the same time each day.

Pharmacological Action:

Bisoprolol selectively blocks beta-1 adrenergic receptors in the heart, reducing heart rate, cardiac output, and myocardial oxygen demand.

Amlodipine inhibits calcium ion influx in vascular smooth muscle and cardiac muscle, resulting in vasodilation and improved blood flow.

The combination provides effective blood pressure control through complementary mechanisms.

Side Effects:

Dizziness

Fatigue

Headache

Peripheral edema

Bradycardia

Precautions & Warnings:

Use under medical supervision only.

Use cautiously in patients with heart block, severe bradycardia, or heart failure.

Regular monitoring of blood pressure and heart rate is recommended during therapy.

Not recommended during pregnancy and lactation unless prescribed by a physician.

Drug Interactions:

May interact with other antihypertensive agents, beta blockers, calcium channel blockers, and certain antiarrhythmic drugs.

Consult physician before concomitant use with other medications.

Storage:

Store below 25°C in a dry place.

Protect from light and moisture.

Keep out of reach of children.
