

# Bosrachit Tablet

## Bosrachit Tablet

### Composition:

Each tablet contains:

- Boswellia Serrata – 350 mg
- Vitex Negundo – 250 mg

### Description:

Bosrachit Tablet is a herbal formulation designed to support joint health and reduce inflammation. Boswellia Serrata is known for its anti-inflammatory and analgesic properties, while Vitex Negundo provides additional pain relief and supports musculoskeletal well-being.

### Pharmacological Action:

- Inhibits pro-inflammatory enzymes to reduce joint inflammation.
- Provides natural pain relief in arthritis and musculoskeletal disorders.
- Supports mobility and flexibility by protecting cartilage.

### Indications:

- Osteoarthritis and rheumatoid arthritis.
- Joint pain and inflammation.
- Musculoskeletal discomfort.
- Chronic inflammatory conditions.

### Dosage & Administration:

- One tablet twice daily or as directed by a physician.
- Swallow with water after meals.

### Contraindications:

- Hypersensitivity to any of the ingredients.
- Pregnant or lactating women should use under medical supervision.

### Warnings & Precautions:

- Consult a physician before use in chronic conditions.
- Use with caution in patients with gastrointestinal disorders.

### Adverse Effects:

- Generally well tolerated; mild gastric discomfort may occur in some cases.

**Drug Interactions:**

- May enhance the effect of anti-inflammatory drugs.
- Avoid use with anticoagulants without medical advice.

**Storage Conditions:**

- Store in a cool, dry place below 25°C.
- Protect from direct sunlight and moisture.
- Keep out of reach of children.

**Conclusion:**

Bosrachit Tablet is a herbal solution for joint pain and inflammation, offering natural relief and long-term musculoskeletal support. It is a safe and effective option for individuals seeking plant-based joint care.
