Clove Oil 1% w/w + Light Liquid Paraffin 0.5% w/w Balm

Cafoli Inhaler

Brand Name: Cafoli Inhaler

Dosage Form: Nasal Inhaler (for inhalation only)

Composition:

Each 1 g contains

Menthol IP 42% w/w

Camphor (Kapoor) IP 41% w/w

Gaultheria Oil (Gultheria Tail) 12.5% w/w

Eucalyptus Oil IP 3% w/w

Clove Oil IP 1% w/w

Light Liquid Paraffin IP 0.5% w/w

Therapeutic Indication:

Indicated for rapid relief from nasal congestion cold headache and blocked nose associated with common cold sinusitis or allergic rhinitis

Provides soothing vapors that clear nasal passages and promote easy breathing

Mechanism of Action:

Menthol and camphor produce a cooling sensation and decongestant effect by activating cold-sensitive receptors

Eucalyptus and Gaultheria oils offer anti-inflammatory decongestant and mild analgesic action

Clove oil acts as a natural antiseptic with warming properties while liquid paraffin serves as a carrier and stabilizer

Dosage & Administration:

Remove cap and place the inhaler near one nostril while closing the other

Inhale deeply 2 to 3 times through each nostril as needed

Use up to 3–4 times a day or as directed by a physician

Do not insert deeply into nostrils or share with others

Contraindications:

Hypersensitivity to any of the ingredients

Not recommended for children under 3 years of age

Avoid use in patients with chronic respiratory conditions unless advised by a doctor

Warnings & Precautions:
