

Calostyle Cis Softgel

Cissus Quadrangularis Extract (500mg) + Moringa Oleifera (100mg) Softgel: Information Guide

Description

This softgel combines Cissus Quadrangularis, a traditional herb renowned for its bone-healing, anti-inflammatory, and antioxidant properties, with Moringa Oleifera, a nutrient-dense superfood rich in vitamins, minerals, and essential antioxidants. Together, they support bone health, joint care, and overall vitality.

Composition

- Cissus Quadrangularis Extract: 500mg
- Moringa Oleifera Extract: 100mg
- Dosage Form: Softgel

Key Benefits

1. Cissus Quadrangularis:
 - Promotes bone healing and strength, especially in fractures.
 - Supports joint health and reduces inflammation.
 - Helps in weight management and metabolism regulation.
 - Acts as an antioxidant to protect cells from damage.
2. Moringa Oleifera:
 - Provides essential vitamins (A, C, E) and minerals (calcium, iron, magnesium).
 - Boosts immunity and energy levels.
 - Supports anti-inflammatory actions for joint health.

- Improves skin, hair, and digestive health.

Indications

This combination is beneficial for:

- Enhancing bone health and fracture recovery.
- Reducing joint pain, stiffness, and inflammation.
- Supporting overall immune health and energy levels.
- Supplementing essential nutrients for general well-being.
