Calostyle K27 Plus Softgel

Calostyle K27 Plus Softgel

Composition:

- **Boron** – 1.5mg
- **Calcitriol** – 0.25mcg
- **Calcium Carbonate** – 250mg
- **Magnesium Oxide** – 50mg
- **Methylcobalamin** – 750mcg
- **Vitamin K2-7** – 45mcg
- **Zinc Oxide** – 7.5mg

Introduction

Calostyle K27 Plus Softgel is a **comprehensive bone health supplement** formulated to **support bone strength, joint health, and overall calcium absorption**. This combination of essential minerals, vitamins, and cofactors works synergistically to **maintain bone density, prevent osteoporosis, and support neuromuscular function**.

Key Benefits

- **Enhances Bone Health** – Calcium, Magnesium, and Boron strengthen bones and teeth.
- **Boosts Calcium Absorption** – Calcitriol and Vitamin K2-7 help in the effective utilization of calcium.
- **Supports Joint & Muscle Function** – Magnesium and Zinc aid in muscle relaxation and joint mobility.
- **Promotes Nerve Health** – Methylcobalamin (Vitamin B12) supports neurological function.
- **Reduces Risk of Osteoporosis & Fractures** – Ideal for individuals with calcium or vitamin deficiencies.

Indications & Uses

- **Osteoporosis & Bone Density Maintenance**
- **Calcium & Vitamin D Deficiency**
- **Joint Pain & Weakness**
- **Neuromuscular Support**

Dosage & Administration

- **One softgel daily**, or as directed by a healthcare professional.
- Best taken **after meals** for better absorption.

Precautions & Storage

- Do not exceed the recommended dosage.
- Store in a **cool, dry place**, away from moisture and direct sunlight.
- Not recommended for individuals with **hypercalcemia** or **kidney disorders** without medical supervision.

Conclusion

Calostyle K27 Plus Softgel is a **scientifically formulated supplement** designed to **enhance bone strength, improve joint function, and promote overall skeletal health**, making it an ideal choice for **bone care and calcium supplementation**
