

Cocoslice Powder

Cocoslice Powder

(Tender Coconut Water Powder Mix – Sachet)

Introduction

Cocoslice Powder is a **refreshing and nutrient-rich tender coconut water powder mix**, formulated to provide **instant hydration and essential electrolytes**. It is a **convenient alternative to fresh coconut water**, offering a natural source of **potassium, sodium, and minerals** for maintaining **optimal hydration and energy levels**.

Composition & Key Benefits

- **Tender Coconut Water Powder**
 - Rich in **electrolytes** (potassium, sodium, calcium, and magnesium).
 - Helps in **replenishing lost fluids** and preventing dehydration.
 - Provides **instant energy and refreshment**.
 - Supports **digestive health and metabolism**.
 - Natural source of **antioxidants** for overall wellness.

Indications & Uses

Cocoslice Powder is ideal for:

- **Instant hydration and electrolyte balance.**
- **Post-workout recovery and energy boost.**
- **Dehydration due to heat, travel, or illness.**
- **Natural alternative to artificial sports drinks.**
- **Supporting kidney health and detoxification.**

How to Use

- **Empty one sachet** into a glass.
- **Add 200ml of cold water** and stir well.
- **Consume immediately** for best taste and benefits.
- Can be taken **anytime during the day** for hydration and refreshment.

Precautions & Warnings

- Store in a **cool, dry place**, away from moisture.
- Suitable for **all age groups**, but consult a doctor for specific dietary restrictions.
- **Not a substitute for medical hydration therapy** in severe dehydration cases.
- **Contains natural sugars**; diabetics should consult a physician before use.

Storage & Handling

- Keep in a **sealed pack** to prevent moisture absorption.
- Store below **30°C**, away from direct sunlight.

Conclusion

Cocoslice Powder is a **nutrient-rich and hydrating coconut water mix**, perfect for **refreshment, energy, and electrolyte balance**. With its **natural composition and easy preparation**, it is an excellent choice for **daily hydration and active lifestyles**.
