

Information For the User  
Levocloperastine (20mg/5ml) Syrup

# Cufsniff LP Syrup

**Brand Name:** Cufsniff LP Syrup

**Dosage Form:** Syrup

**Composition (Each 5 ml contains):**  
Levocloperastine Fendizoate 20 mg

**Therapeutic Segment:**  
**Respiratory Care / Cough Suppressant Segment**

**Therapeutic Indication:**

Indicated for the symptomatic relief of dry (non-productive) cough associated with respiratory tract infections, allergic cough, and throat irritation.

It helps in suppressing the cough reflex without causing drowsiness, providing soothing relief and comfort to the throat.

**Mechanism of Action:**

- **Levocloperastine Fendizoate** acts centrally and peripherally to suppress the cough reflex.
- It inhibits the cough center in the medulla while also exhibiting mild antihistaminic and bronchodilatory effects, thereby reducing cough frequency and improving airflow.

**Dosage & Administration:**

- **Adults:** 5–10 ml two to three times daily or as directed by the physician.
- **Children (6–12 years):** 2.5–5 ml two to three times daily or as advised by the physician.
- To be taken orally, with or without water. Shake well before use.

**Contraindications:**

- Hypersensitivity to Levocloperastine or any component of the formulation.
- Not recommended for productive cough or in patients with mucus-producing conditions.

**Warnings & Precautions:**

- For short-term use only. If symptoms persist beyond 7 days, consult a physician.
- Use with caution in patients with severe hepatic impairment.
- Avoid concurrent use with other centrally acting cough suppressants or alcohol.

**Side Effects:**

- Common: Mild drowsiness, dizziness, dry mouth, nausea.
- Rare: Gastrointestinal discomfort or allergic skin reactions.

**Storage:**

Store below 30°C in a cool, dry place.

Protect from direct sunlight and moisture. Keep tightly closed.

**Packaging:**

Cufsniff LP Syrup is available in bottles of 100 ml and 150 ml.

**Schedule:**

Schedule H Drug – To be sold by retail on the prescription of a Registered Medical Practitioner only.

Manufactured in India for:

**Cafoli Lifecare Pvt. Ltd.**
