# Fertiedge Sachet

Here's a detailed description for the supplement **7 gm Sachet** containing a combination of beneficial ingredients:

---

## 7 gm Sachet: Powerful Blend for Energy, Immunity, and Overall Wellness

Each **7 gm sachet** is packed with a potent blend of essential nutrients designed to support your overall health and vitality. This unique combination of **Adenosine Triphosphate (ATP)**, **Myo-Inositol**, **L-Arginine**, and other powerful ingredients works synergistically to enhance energy levels, improve immunity, and promote overall well-being.

### Key Ingredients and Benefits:

- **Adenosine Triphosphate (ATP) – 20 mg:**  
ATP is the body's primary energy carrier. It supports energy production at the cellular level, enhancing physical performance and reducing fatigue. ATP helps maintain optimal energy levels throughout the day, especially during high-intensity activities.
- **Myo-Inositol – 4000 mg:**  
Myo-Inositol plays a key role in supporting hormonal balance, particularly in women with PCOS, helping to regulate menstrual cycles and improve fertility. It also promotes metabolic health and may assist in managing blood sugar levels.
- **L-Arginine – 100 mg:**  
L-Arginine is an amino acid that helps improve blood flow by promoting the production of nitric oxide. This may aid in boosting cardiovascular health, improving exercise performance, and supporting overall vitality.
- **Astaxanthin – 4 mg:**  
A powerful antioxidant, **Astaxanthin** protects cells from oxidative stress and free radical damage. It has anti-inflammatory properties and may help improve skin health, reduce signs of aging, and support eye health.
- **Ubiquinone (Coenzyme Q10, C-10) – 50 mg:**  
Ubiquinone, or CoQ10, plays a vital role in energy production and has antioxidant properties. It helps support heart health, improve energy levels, and protect cells from oxidative damage, especially during physical exertion.
- **Taurine – 100 mg:**  
Taurine is an amino acid that supports cardiovascular health, helps regulate fluid balance, and plays a crucial role in the function of muscles and the nervous system. It also has antioxidant properties and can help reduce inflammation.
- **Sodium Selenite – 70 mcg:**  
Selenium, in the form of **Sodium Selenite**, is essential for immune function and has potent antioxidant effects. It supports thyroid health, helps combat oxidative stress, and plays a role in protecting the body from infections.
- **Zinc Sulphate – 55 mg:**  
Zinc is a critical mineral that supports immune function, enhances wound healing, and promotes healthy skin. It also plays a role in protein synthesis and supports healthy cognitive function.
- **Lycopene – 2.5 mg:**  
Lycopene is a powerful antioxidant found in tomatoes and other red fruits. It helps protect cells from oxidative damage, supports cardiovascular health, and may help reduce the risk of certain types of cancer.
- **Vitamin D3 – 1000 IU:**  
Vitamin D3 is essential for calcium absorption, bone health, and immune function. It helps maintain healthy bones, supports the immune system, and promotes overall well-being.

- **L-Carnitine L-Tartrate – 250 mg:** L-Carnitine plays a key role in fat metabolism and energy production. It helps transport fatty acids into the mitochondria of cells, where they are burned for energy. This may support weight management and improve physical performance.

### Why Choose This Sachet?

- **Comprehensive Formula:** This blend of nutrients offers a full spectrum of health benefits, from enhanced energy production and immune support to improved cardiovascular health and metabolic function.
- **Convenient and Easy to Use:** The **7 gm sachet** is a quick and convenient way to get a precise dose of these essential nutrients. Simply mix with water for a delicious and health-boosting drink.
- **Supports Overall Wellness:** Whether you're looking to boost energy levels, support hormonal balance, or improve your immune system, this sachet offers a comprehensive solution to support your health on a daily basis.

### Directions for Use:

- Empty one sachet into a glass of water (approximately 200-250 ml).
- Stir until dissolved and drink once daily, or as directed by your healthcare provider.

### Who Should Use This Product?

- **Anyone Seeking an Energy Boost:** Whether you need more energy for daily activities or enhanced performance during exercise, this combination of ingredients helps fuel your body's energy needs.
- **Individuals with Hormonal Imbalances:** With Myo-Inositol and L-Arginine, this sachet is perfect for those looking to support hormonal health, especially women dealing with PCOS.
- **People Focused on Immunity and Antioxidant Protection:** The powerful antioxidants in this formula—Astaxanthin, Lycopene, Vitamin D3, and Selenium—help protect your body from oxidative damage and strengthen the immune system.
- **Those Looking for Comprehensive Health Support:** If you're looking for a holistic

supplement to improve energy, cardiovascular health, skin health, and more, this sachet offers a complete solution.

---

This version emphasizes the individual benefits of each ingredient, making it clear how this supplement can support various aspects of health and wellness while being convenient and easy to use.
