

Ashwagandha Extract 90mg + Shatavari 90mg + Safed Musli 90mg + Horny Goat Weed 80mg + Tribulus Terrestris 50mg + Fenugreek 30mg + Mucuna Pruriens 40mg + Shilajit 30mg

Funflin Max Tablet

Ashwagandha Extract 90mg + Shatavari 90mg + Safed Musli 90mg + Horny Goat Weed 80mg + Tribulus Terrestris 50mg + Fenugreek 30mg + Mucuna Pruriens 40mg + Shilajit 30mg Tablet

This powerful herbal formulation combines several well-known Ayurvedic herbs to support overall vitality, enhance sexual health, and improve energy levels. The synergistic effect of these ingredients helps in reducing stress, boosting immunity, enhancing stamina, and promoting hormonal balance.

Composition (per tablet):

- **Ashwagandha Extract (90mg):** An adaptogen known for its ability to reduce stress, support adrenal function, and improve physical and mental stamina.
- **Shatavari (90mg):** A potent herb for balancing female hormones, improving fertility, and promoting reproductive health.
- **Safed Musli (90mg):** Known for its aphrodisiac properties, it enhances sexual health and vitality in both men and women.
- **Horny Goat Weed (80mg):** Traditionally used to improve libido, enhance sexual function, and promote overall vitality.
- **Tribulus Terrestris (50mg):** Boosts testosterone levels, improves sexual performance, and supports overall reproductive health.
- **Fenugreek (30mg):** Known for its ability to enhance libido, support milk production in women, and balance blood sugar levels.
- **Mucuna Pruriens (40mg):** A source of L-DOPA, it helps in improving mood,

reducing stress, and enhancing sexual health and fertility.

- **Shilajit (30mg):** A potent adaptogen that improves energy, stamina, and supports immune and cognitive health.

Uses:

1. **Enhances Sexual Health: Supports libido, sexual function, and fertility in both men and women.**
2. **Promotes Hormonal Balance: Helps in balancing male and female hormones, boosting energy levels, and improving mood.**
3. **Improves Stamina and Vitality: Boosts physical performance, reduces fatigue, and promotes endurance.**
4. **Reduces Stress and Anxiety: Supports the body's ability to adapt to stress and reduces mental fatigue.**
5. **Supports Reproductive Health: Enhances fertility and overall reproductive function, especially in cases of low libido or hormonal imbalances.**
6. **Boosts Overall Energy Levels: Improves general vitality, reducing feelings of weakness or tiredness.**

Dosage & Administration:

- **Recommended Dose:** 1 tablet twice daily or as directed by a healthcare provider.
- **Route of Administration:** Oral, preferably with meals for better absorption.

Precautions:

- **Consult a healthcare professional before use if you are pregnant, breastfeeding, or have any pre-existing medical conditions.**
 - **Keep out of reach of children.**
 - **Do not exceed the recommended dose.**
 - **If any allergic reactions or side effects occur, discontinue use and consult a doctor.**
-

Side Effects:

- **Generally safe when used as directed.**
 - **Rare side effects may include mild gastrointestinal discomfort or allergic reactions.**
-

Storage:

- **Store in a cool, dry place away from direct sunlight.**
 - **Keep the bottle tightly closed.**
 - **Store out of reach of children.**
-

Note: This is a traditional herbal formulation. For best results, use under the guidance of a healthcare practitioner, especially if you have any underlying health conditions.
