Herbal Liver Tonic Syrup

(Himsra, Kansi, Kakamachi, Arjuna, Kasamarda, Biranjasipha, Jhavuka)
(*Similar to Liv 52*)

Description

This Herbal Liver Tonic Syrup is a well-balanced formulation combining various herbal ingredients traditionally used in Ayurvedic medicine for maintaining liver health. It promotes the detoxification of the liver, supports its normal functioning, and helps in the treatment of liver disorders. The syrup helps improve digestion, boosts appetite, and promotes overall liver regeneration and repair.

Composition (Per 10mL)

- Himsra (Capparis Sepiaria) Root - 34 mg**
 - Known for its hepatoprotective and detoxifying properties, Himsra helps protect liver cells from damage caused by toxins and promotes liver regeneration.
- Kansi (Cichorium Intybus) Seed - 34 mg**
 - A well-known herb for its liver-toning and digestive properties. It aids in improving bile secretion, promotes better digestion, and helps in managing liver-related issues.
- Kakamachi (Solanum Nigrum) Whole Plant - 16 mg**
 - Supports the liver by detoxifying harmful substances and has anti-inflammatory effects. It is also used for its ability to manage jaundice and other liver conditions.
- Arjuna (Terminalia arjuna) Bark - 16 mg**
 - A powerful herb for cardiovascular health that also aids in liver health.

Arjuna has been traditionally used to treat cirrhosis, fatty liver, and jaundice.

- Kasamarda (Cassia Occidentalis) Seed - 8 mg**
 - Known for its liver-detoxifying and anti-inflammatory properties, Kasamarda helps in managing chronic liver conditions and supports the natural detoxification processes of the liver.
 - Biranjasipha (Achillea Millefolium) Aerial Part - 8 mg**
 - Biranjasipha has antioxidant, anti-inflammatory, and liver-supportive properties. It helps in reducing liver damage caused by toxins and enhances the overall health of the liver.
 - Jhavuka (Tamarix Gallica) Whole Plant - 8 mg**
 - An effective herb for treating liver diseases, it improves liver function and helps in the detoxification process. Jhavuka also aids in promoting healthy bile flow and liver regeneration.
-

Indications

This herbal liver tonic syrup is beneficial for:

- Liver Health Support:** Improves liver function and detoxifies the liver.
 - Jaundice and Hepatitis:** Helps in managing symptoms and promoting liver regeneration in cases of jaundice and hepatitis.
 - Digestive Disorders:** Improves digestion, appetite, and relieves indigestion.
 - Fatty Liver Disease:** Supports liver function in conditions like fatty liver and cirrhosis.
 - General Detoxification:** Aids in the removal of toxins from the body.
-

Dosage and Administration

- **Adults:** 10–15 mL, 2–3 times daily after meals, or as directed by a healthcare professional.
 - **Children (under 12 years):** 5–10 mL, 2–3 times daily after meals, or as advised by a healthcare provider.
-

Contraindications

- Hypersensitivity or allergy to any of the ingredients.
 - Patients with severe liver dysfunction should consult a healthcare provider before use.
-

Warnings and Precautions

1. **Pregnancy and Lactation:** Consult a healthcare provider before use during pregnancy or breastfeeding.
 2. **Diabetes:** This product contains natural sugars from herbal ingredients and should be used cautiously by diabetic patients.
 3. **Chronic Conditions:** Use with caution in individuals with chronic liver disease or other significant health conditions.
 4. **Discontinue if:** Any allergic reactions such as rash, itching, or gastrointestinal discomfort occur.
-

Adverse Effects

- **Common:** Mild gastrointestinal discomfort, such as bloating or nausea.
 - **Rare:** Allergic reactions such as rash or itching.
 - **Prolonged Use:** Excessive consumption may lead to gastrointestinal upset.
-

Storage Instructions

- Store in a cool, dry place, away from sunlight and moisture.

- Keep the bottle tightly closed when not in use.
 - Keep out of reach of children.
-

Benefits

1. **Liver Detoxification:** Supports liver function and detoxification, removing harmful toxins from the body.
 2. **Improves Digestion:** Enhances digestive function and appetite, making it helpful for those suffering from indigestion and poor appetite.
 3. **Protects Liver from Damage:** Helps regenerate liver cells and protects the liver from harmful toxins and infections.
 4. **Natural Ingredients:** The syrup is made from 100% herbal ingredients, free from synthetic chemicals and additives, ensuring safe usage with minimal side effects.
-

Presentation

- Available in 100mL, 150mL, or 200mL bottles with a measuring cup for accurate dosing.
-

Note: This syrup is an herbal supplement and is not a replacement for professional medical treatment. Always consult a healthcare provider if you have persistent liver issues or any underlying medical condition.
