Hepalogy XT

Hepalogy XT – Advanced Liver Health & Antioxidant Support

Composition:

Each **Hepalogy XT** capsule contains a scientifically balanced blend of:

- **Vitamin D3 (400 IU) & Vitamin E (12.5 IU)** – Supports immune function and antioxidant defense.
- **Silymarin (140 mg)** – Protects liver cells from oxidative stress and enhances detoxification.
- **Vitamin C (40 mg) & N-Acetylcysteine (50 mg)** – Powerful antioxidants aiding liver regeneration.
- **L-Carnitine Tartrate (50 mg), Choline Bitartrate (50 mg) & Inositol (50 mg)** – Essential for fat metabolism and liver function.
- **L-Ornithine Hydrochloride (50 mg) & L-Glutathione (15 mg)** – Supports ammonia detoxification and liver repair.
- **Calcium Pantothenate (10 mg), Zinc Sulfate Monohydrate (12 mg), Iron (3 mg), Coenzyme Q-10 (2.5 mg)** – Vital micronutrients for metabolic health.
- **Vitamin B1 (1.4 mg), Vitamin B2 (1.6 mg), Vitamin B6 (2 mg), Vitamin B12 (1 mcg), Folic Acid (400 mcg)** – Supports red blood cell formation and energy metabolism.
- **Sodium Selenite (as elemental selenium)** – Strengthens antioxidant defense mechanisms.

Description:

Hepalogy XT is a **comprehensive liver support supplement** formulated with **Silymarin, Glutathione, Coenzyme Q-10, Essential Vitamins & Minerals** to **enhance liver function, detoxify harmful substances, and promote overall well-being**. It aids in **reducing oxidative stress, improving lipid metabolism, and preventing liver damage** caused by toxins, medications, or fatty liver disease.

Pharmacological Action:

- **Liver Detox & Protection** – Silymarin, NAC, and Glutathione support liver cell regeneration.
- **Antioxidant & Metabolic Boost** – Coenzyme Q-10, Vitamin C, and Selenium reduce oxidative damage.
- **Fat Metabolism & Energy Production** – L-Carnitine, Choline, and Inositol aid in proper fat breakdown.
- **Supports Hematological & Cardiovascular Health** – B-Vitamins, Iron, and Zinc ensure optimal blood formation.

Indications:

Hepalogy XT is beneficial for:

- **Liver disorders (fatty liver, hepatitis, cirrhosis, alcoholic/non-alcoholic liver disease)**

- **Detoxification & liver protection in individuals on long-term medications**
- **Metabolic disorders linked to impaired liver function**
- **Fatigue & general weakness due to liver dysfunction**

Dosage & Administration:

- **Recommended Dose:** One capsule daily with meals or as directed by a physician.
- **For chronic liver disorders:** Dosage may be adjusted based on medical supervision.

Contraindications:

- **Hypersensitivity** to any of the ingredients.
- **Patients with severe kidney disease** should consult a doctor before use.

Warnings & Precautions:

- Safe for long-term use under medical supervision.
- Consult a doctor before use in **pregnant, breastfeeding women, or individuals with underlying medical conditions.**
- Not intended for children unless prescribed.

Adverse Effects:

- Generally well-tolerated.
- Rare cases of mild **nausea, gastric discomfort, or allergic reactions.**

Storage Conditions:

- Store in a **cool, dry place**, away from direct sunlight.
- Keep out of reach of children.

Conclusion:

Hepalogy XT is an **advanced liver health formulation**, providing **detoxification, antioxidant protection, and metabolic support** for individuals with **liver disorders or high oxidative stress.**
