

Information For the User

Taurine 500 mg + L-carnitine 250 mg + Caffeine 50 mg + Inositol 50 mg + Ginseng extract powder 90 mg + Nicotinamide 12 mg + Zinc sulphate 10 mg + Lycopene 5 mg + Vitamin B6 1.5 mg + Folic acid 0.1 mg + Cyanocobalamin 1 mcg Sachet

Multibolt Sachet

Composition (per sachet):

Taurine 500 mg, L-Carnitine 250 mg, Caffeine 50 mg, Inositol 50 mg, Ginseng Extract Powder 90 mg, Nicotinamide 12 mg, Zinc Sulphate 10 mg, Lycopene 5 mg, Vitamin B6 1.5 mg, Folic Acid 0.1 mg, Cyanocobalamin 1 mcg

Description:

Multibolt Sachet is a potent formulation combining amino acids, vitamins, minerals, and herbal extracts aimed at enhancing energy metabolism, improving physical and mental performance, and supporting antioxidant defenses. Taurine and L-Carnitine help in cellular energy production and muscle function, while Ginseng extract and Caffeine act as natural stimulants to reduce fatigue and increase alertness. The included vitamins and minerals support neurological health, immune function, and overall well-being.

Indications:

- Fatigue and general weakness
- Physical and mental exhaustion
- Support in energy metabolism disorders
- Nutritional supplementation in micronutrient deficiencies
- Enhancing athletic performance and stamina

Mechanism of Action:

Taurine and L-Carnitine facilitate fatty acid transport into mitochondria, promoting energy generation. Caffeine and Ginseng stimulate the central nervous system to increase alertness and reduce fatigue. Nicotinamide and B-complex vitamins serve as cofactors in enzymatic reactions critical for energy production and nerve function. Zinc and Lycopene provide antioxidant protection, helping to neutralize free radicals and support immune health.

Dosage and Administration:

One sachet daily or as directed by the physician. Dissolve the contents in a glass of water and consume preferably after meals.

Contraindications:

Known hypersensitivity to any component of the formulation.

Precautions:

Use cautiously in patients sensitive to caffeine or with cardiovascular disorders. Consult a physician before use during pregnancy and lactation.

Side Effects:

Generally well tolerated. Rarely, mild gastrointestinal discomfort or allergic reactions may occur.

Storage:

Store in a cool, dry place below 30°C. Protect from moisture and direct sunlight. Keep out of reach of children.
