Herbal Liver Tonic with Benefits of Enzyme

Liv-Zymvigo Liver Tonic

Herbal Liver Tonic with Benefits of Enzyme
(A unique blend of Ayurvedic herbs for liver health and digestive support)

This herbal liver tonic is a comprehensive formulation of natural ingredients designed to promote liver detoxification, improve digestion, and support overall well-being. With a powerful combination of traditional Ayurvedic herbs, this tonic helps enhance liver function, maintain digestive health, and rejuvenate the body.

Composition (per 10ml):

- **Bhringraj (Eclipta Alba) 300mg:** Known for its hepatoprotective properties, it aids in liver detoxification and regeneration.
- **Bhumi Amla (Phyllanthus Niruri) 400mg:** Helps in managing liver disorders, including fatty liver and jaundice, and supports healthy bile secretion.
- **Guduchi (Tinospora Cordifolia) 200mg:** An immunity booster that helps protect the liver from toxins and infections.
- **Pitpapra (Fumaria Vaillantii) 200mg:** Promotes bile flow and reduces liver inflammation.
- **Daruhaldi (Berberis Aristata) 100mg:** Acts as an antioxidant and supports liver health by reducing oxidative stress.

- **Revandchini (Rheum Emodi) 100mg:** Aids in detoxification and has mild laxative properties.
- **Chitrak (Plumbago Zeylanica) 100mg:** Stimulates digestion and metabolism, aiding in toxin elimination.
- **Kachur (Curcuma Zedoaria) 100mg:** Known for its anti-inflammatory and digestive properties.
- **Kalmegh (Andrographis Paniculata) 100mg:** A natural liver tonic that supports liver detoxification and bile production.
- **Kutki (Picrorhiza Kurroa) 50mg:** Improves liver metabolism and protects against liver damage.
- **Sauf (Foeniculum Vulgare) 260mg:** Aids digestion and reduces bloating, promoting overall digestive health.
- **Ajwain (Ptychotis Ajowan) 200mg:** Improves appetite and relieves digestive discomfort.
- **Jeera (Cuminum Cyminum) 160mg:** Stimulates digestive enzymes and improves gut health.
- **Vach (Acorus Calamus) 150mg:** Known for its detoxifying and digestive benefits.
- **Pudina (Mentha Piperita) 400mg:** Provides a cooling effect, enhances digestion, and reduces gastric discomfort.

Uses:

- 1. Supports Liver Health: Promotes liver detoxification, regeneration, and healthy bile flow.**
 - 2. Improves Digestion: Relieves indigestion, bloating, and acidity by enhancing digestive enzyme activity.**
 - 3. Protects Against Toxins: Safeguards the liver from harmful toxins and oxidative stress.**
 - 4. Manages Liver Disorders: Beneficial in conditions like fatty liver, jaundice, and viral hepatitis.**
 - 5. Enhances Appetite and Metabolism: Stimulates appetite and supports a healthy metabolic rate.**
 - 6. General Well-being: Rejuvenates the body by promoting better digestion and liver function.**
-

Dosage & Administration:

- Adults: 2 teaspoons (10ml) twice daily, after meals.**
 - Children: 1 teaspoon (5ml) twice daily, after meals or as directed by a healthcare provider.**
 - Shake well before use.**
-

Precautions:

- Consult a doctor before use if you are pregnant, breastfeeding, or suffering from any pre-existing medical conditions.**
 - Do not exceed the recommended dosage.**
 - Keep out of reach of children.**
-

Side Effects:

- Generally safe when used as directed.**
- Rarely, mild gastrointestinal discomfort may occur.**

- Discontinue use and consult a healthcare provider if any allergic reactions or side effects are noticed.**
-

Storage:

- Store in a cool, dry place away from direct sunlight.**
 - Ensure the bottle is tightly closed after use.**
-

Note: This syrup is a natural formulation intended to support liver health and digestion. It is not a substitute for medical treatment. Use under the guidance of a healthcare practitioner for optimal benefits.
