

# Multibolt Syrup

**Composition (per 15ml syrup):**

Multivitamins + Multiminerals + Antioxidants (Exact composition to be defined by formulation)

**Description:**

Multibolt Syrup is a comprehensive nutritional supplement formulated with a blend of essential vitamins, minerals, and antioxidants. It is designed to support overall health, boost immunity, enhance energy levels, and improve recovery in conditions of nutritional deficiency.

**Indications:**

- General debility and fatigue
- Supportive therapy in convalescence
- Vitamin and mineral deficiencies
- Immunity enhancement
- Nutritional support during growth and illness

**Mechanism of Action:**

- **Multivitamins** (such as B-complex, Vitamin C, and D) help in energy metabolism, immune function, and cellular repair.
- **Multiminerals** (like Zinc, Iron, Magnesium) are essential cofactors for enzymatic reactions and support various physiological functions.
- **Antioxidants** (like Vitamin C, E, or Selenium) neutralize free radicals and reduce oxidative stress, protecting tissues from damage.

**Dosage and Administration:**

Children: 5 ml once or twice daily

Adults: 15 ml once daily or as directed by the physician

**Contraindications:**

- Hypersensitivity to any of the ingredients
- Hypervitaminosis
- Patients with renal or hepatic impairment (use with caution)

**Precautions:**

- Shake well before use
- Do not exceed the recommended dosage
- Use under medical supervision in pregnant or lactating women

**Side Effects:**

- Mild gastrointestinal discomfort
- Nausea or vomiting (rare)

- Allergic reactions (rare)

**Storage:**

Store in a cool, dry place below 25°C. Protect from light. Keep out of reach of children.
