#### Information For the User Multivitmains + Multiminerals & Antioxidant Syrup 100 ml

# Multibolt syrup 100ml

#### **Composition:**

Each 5 ml contains: Multivitamins Multiminerals Antioxidants (Exact quantitative composition can be inserted as per approved formulation or label claims)

### **Description:**

Multibolt Syrup is a comprehensive nutritional supplement containing a synergistic blend of essential vitamins, trace minerals, and powerful antioxidants. It is specially formulated to bridge dietary gaps, boost immunity, improve metabolism, and support general well-being in adults and children alike. This syrup plays a vital role in oxidative stress protection, tissue repair, and enhancing energy levels.

#### **Indications:**

General weakness and fatigue Convalescence after illness or surgery Vitamin and mineral deficiencies Immunity support in growing children and adults Supportive therapy in chronic diseases and infections

#### **Mechanism of Action:**

Multivitamins: Act as coenzymes in numerous metabolic pathways, supporting energy production, neurological function, and immune response Multiminerals: Assist in bone health, enzyme function, nerve transmission, and muscle contraction Antioxidants: Neutralize free radicals, reduce oxidative damage to cells, and support skin, eye, and cardiovascular health

#### **Dosage and Administration:**

Children (5–12 years): 5 ml once or twice daily Adults: 10 ml once or twice daily or as directed by the physician Shake well before use

## Side Effects:

Generally well tolerated. In rare cases, mild gastrointestinal discomfort, nausea, or hypersensitivity reactions may occur

## **Precautions:**

Not to be used as a substitute for a varied diet Use under medical supervision in patients with chronic kidney disease or iron overload Pregnant or lactating women should consult a doctor before use

## Storage:

Store in a cool and dry place below 25°C

Protect from direct sunlight and moisture Keep out of reach of children
