

Bring Back Hope In Pcos With The Best!

Myohub-ForteTM

Berberine HCL 277.25mcg + Chromium Picolinate 201.50mcg +
Myo-Inositol 500mg + Folic Acid 45mcg + Vitamin D3 90 IU

Tablets

- ◉ **Grape Seed Extract** : Grape seed extract, which is made from the seeds of wine grapes, is promoted as a dietary supplement for various conditions, including venous insufficiency (when veins have problems sending blood from the legs back to the heart), promoting wound healing & reducing inflammation.
- ◉ **Myo-Inositol** : Used to treat polycystic ovarian syndrome (PCOS). It may also help to correct the hormonal imbalance & menstrual cycle to achieve ovulation. A polycystic ovarian syndrome is an endocrine disorder common in women of reproductive age characterised by menstrual abnormalities.
- ◉ **Berberine Hydrochloride** : It might help strengthen the heartbeat, which could benefit people with certain heart conditions. It might also kill bacteria, help regulate how the body uses sugar in the blood & help reduce swelling.
- ◉ **Chromium Picolinate** : Chromium picolinate has been used in alternative medicine to treat chromium deficiency, as an aid to controlling blood sugar in people with diabetes or prediabetes, to lower cholesterol and as weight-loss supplement. Chromium picolinate should not be used in place of medication prescribed for you by your doctor.
- ◉ **Folic Acid** : Folic acid supplements are standard for pregnant women & women who plan to become pregnant. Folic acid reduces the risk for birth defects of a baby's brain and spine.

Indications
