

Information For the Use

Lycopene (10%) U.S.P. 5000mcg + Methylcobalamin I.P. 1500mcg + Ubidecarenone (Coenzyme Q10) U.S.P. 30mg + L-Arginine I.P. + Zinc Sulphate I.P. Eq. to Elemental Zinc 10mg + Selenomethionine U.S.P. Eq. to Selenium 50mg + Folic Acid I.P. 10.5mg + Fructose I.P. 1g + L-Carnitine Fumarate Eq. to L-Carnitine 1g + Citric Acid I.P. 50mg

Nuroslide Gold Sachet

**Lycopene (10%) U.S.P. 5000mcg +
Methylcobalamin I.P. 1500mcg +
Ubidecarenone (Coenzyme Q10) U.S.P.
30mg + L-Arginine I.P. + Zinc Sulphate
I.P. Eq. to Elemental Zinc 10mg +
Selenomethionine U.S.P. Eq. to Selenium
50mcg + Folic Acid I.P. 10.5mg + Fructose
I.P. 1g + L-Carnitine Fumarate Eq. to L-
Carnitine 1g + Citric Acid I.P. 50mg**
Sachet: Information Guide

- **L-Carnitine Fumarate (Eq. to L-Carnitine): 1g**
- **Citric Acid I.P.: 50mg**

Key Benefits

1. **Antioxidant Support:** Lycopene, Coenzyme Q10, Selenium, and Zinc combat oxidative stress, protecting cells and tissues.
2. **Energy Production:** L-Carnitine and Coenzyme Q10 support mitochondrial function and energy generation.
3. **Cardiovascular Health:** L-Arginine promotes nitric oxide production, improving blood flow and vascular health.
4. **Fertility Enhancement:** L-Arginine, L-Carnitine, Selenium, and Zinc support sperm motility, count, and overall reproductive health.
5. **Immune Function:** Zinc, Selenium, and Folic Acid play crucial roles in boosting immunity and cell repair.
6. **Nervous System Support:** Methylcobalamin and Coenzyme Q10 enhance nerve health and reduce fatigue.

Description

This sachet is a nutraceutical supplement that combines potent antioxidants, essential amino acids, vitamins, and minerals designed to support cardiovascular health, male fertility, energy metabolism, and overall well-being. It provides a synergistic blend of ingredients to enhance vitality, reduce oxidative stress, and support cellular energy production.

Composition (Per Sachet)

- **Lycopene (10%) U.S.P.: 5000mcg**
- **Methylcobalamin I.P.: 1500mcg**
- **Ubidecarenone (Coenzyme Q10) U.S.P.: 30mg**
- **L-Arginine I.P.: 3g**
- **Zinc Sulphate I.P. (Eq. to Elemental Zinc): 10mg**
- **Selenomethionine U.S.P. (Eq. to Selenium): 50mcg**
- **Folic Acid I.P.: 10.5mg**
- **Fructose I.P.: 1g**

Indications

- **Male and female infertility management.**
- **Cardiovascular health and vascular support.**

- **Oxidative stress-related conditions.**
 - **Fatigue, reduced energy levels, and metabolic disorders.**
 - **Immunity enhancement.**
 - **Neurological support in conditions associated with nerve damage.**
-

Dosage and Administration

- **Recommended Dose:** One sachet daily or as directed by a healthcare provider.
 - **Method of Use:**
 - Dissolve the contents of one sachet in a glass of water (100–150ml).
 - Stir well until fully dissolved and consume immediately.
 - Can be taken with or without food.
-

Contraindications

- **Hypersensitivity to any ingredient in the formulation.**
 - **Not suitable for individuals with severe renal or hepatic impairment without medical advice.**
 - **Use with caution in pregnant or breastfeeding women; consult a healthcare provider before use.**
-

Warnings and Precautions

- **Medical Conditions:** Consult a doctor if you have diabetes, cardiovascular disease, or other chronic health conditions.
- **Drug Interactions:**

- May interact with anticoagulants, antihypertensive drugs, or other supplements.
- Inform your doctor about all medications or supplements you are taking.

- **Pregnancy and Lactation:** Use under medical supervision during pregnancy or while breastfeeding.
 - **Allergic Reactions:** Discontinue use and seek medical help if signs of an allergic reaction occur (e.g., rash, swelling, or difficulty breathing).
-

Adverse Effects

- **Generally well tolerated when used as directed.**
- **Possible Side Effects:**
 - Mild gastrointestinal discomfort (bloating, nausea).
 - Rarely, allergic reactions such as skin rash or itching.

If any severe or persistent symptoms occur, consult a healthcare provider.

Storage

- **Store in a cool, dry place away from direct sunlight and moisture.**
 - **Keep out of reach of children.**
 - **Do not use after the expiry date printed on the sachet.**
-

Key Points

- **A balanced blend of antioxidants, amino acids, vitamins, and minerals for overall health support.**
- **Targets energy production, reproductive health, cardiovascular function, and immune defense.**
- **Safe for long-term use under medical supervision.**
- **Always use as prescribed by a healthcare provider for optimal results.**

Note: This supplement is not a substitute for a varied diet and healthy lifestyle. Consult a healthcare professional for personalized advice based on your specific needs.
