

Picotyle PPlus

Sodium Picosulfate 3.33mg + Liquid Paraffin 1.25ml + Milk of Magnesia 3.75ml (Sugar-Free) Syrup

Gentle and Effective Relief from Constipation

Composition (Per 5ml Syrup):

- **Sodium Picosulfate** – 3.33 mg
- **Liquid Paraffin** – 1.25 ml
- **Milk of Magnesia** – 3.75 ml

Product Overview:

This combination syrup is a **sugar-free** laxative formulation designed for the **effective relief of constipation**. It works through a **triple-action mechanism**, ensuring smooth bowel movements without discomfort. The combination of **Sodium Picosulfate, Liquid Paraffin, and Milk of Magnesia** provides **stool softening, gentle stimulation of bowel movements, and lubrication of the intestines**.

It is ideal for individuals experiencing **occasional or chronic constipation** and those who need a gentle yet effective solution for digestive regularity.

Key Benefits:

- Provides **gentle yet effective relief** from constipation
- Softens stool and makes bowel movements easier
- Lubricates the intestines for smooth passage of stool
- Stimulates bowel movements naturally
- **Sugar-free formulation**, suitable for diabetic patients
- Non-habit forming when used as directed

How It Works:

1. **Sodium Picosulfate:** A stimulant laxative that gently stimulates the intestinal muscles to promote bowel movements.
2. **Liquid Paraffin:** Works as a lubricant, coating the stool and intestinal walls to ease the passage of stool.
3. **Milk of Magnesia:** Acts as an osmotic laxative, drawing water into the intestines to soften stool and facilitate easy bowel movements.

Indications:

- Occasional and chronic constipation
- Hard and difficult-to-pass stools
- Constipation associated with pregnancy (under medical supervision)
- Post-surgical constipation
- Constipation in elderly individuals

Dosage & Administration:

- **Adults:** 5-10ml at bedtime or as directed by a physician
- **Children (above 6 years):** 2.5-5ml at bedtime or as directed by a doctor
- **Children below 6 years:** As prescribed by a doctor
- Shake well before use

Precautions & Warnings:

- Not to be used for prolonged periods without medical supervision
- Avoid use in cases of intestinal obstruction or severe abdominal pain
- Consult a doctor before use during pregnancy and lactation
- Maintain adequate hydration while using this product
- Do not exceed the recommended dosage

Side Effects (Rare and Mild):

- Mild abdominal cramps
- Diarrhea in case of overdose

- Nausea or bloating in some individuals

Storage Instructions:

- Store in a cool, dry place away from direct sunlight
 - Keep out of reach of children
 - Do not freeze
-

Why Choose This Product?

- **Triple-action formula** for effective constipation relief
- **Sugar-free** and safe for diabetic individuals
- **Non-habit forming** when used as directed
- **Gentle and well-tolerated**, suitable for all age groups

For best results, maintain a **fiber-rich diet, drink plenty of water, and engage in regular physical activity**. If symptoms persist, consult a healthcare professional.
