Kachur 40mg Herbal Capsule**

Description:

This potent herbal formulation combines **Berberis Aristata (Daruhalidi)**, **Amorphophallus Campanulatus (Suran)**, **Terminalia Chebula (Haritaki)**, and other traditional herbal extracts, each known for their therapeutic properties in promoting **digestive health**, **liver function**, **immunity**, and overall well-being. This herbal blend is designed to help with a variety of **gastrointestinal issues**, **inflammation**, and **immune system support**.

Composition:

Each capsule contains:

- **Berberis Aristata (Daruhalidi):** 80 mg
- **Amorphophallus Campanulatus (Suran):** 70 mg
- **Terminalia Chebula (Haritaki):** 60 mg
- **Extractum Berberis Rasaunt:** 50 mg
- **Daemonorops Draco Khoon Kharaba:** 50 mg
- **Bauhinia Variegata (Kachnar):** 50 mg
- **Melia Azedarach (Mahanimba):** 50 mg
- **Azadirachta Indica (Neem):** 50 mg
- **Curcuma Zedoaria (Kachur):** 40 mg

Indications:

This herbal capsule is typically used for:

1. **Digestive Health:**
 - Promotes healthy digestion, alleviates constipation, and relieves **gastric discomfort**.
 - Assists in the detoxification of the **gastrointestinal system**.
2. **Immune System Support:**
 - **Neem** and **Mahanimba** support the body's natural defenses, helping in the **prevention of infections**.
3. **Liver Health:**
 - **Berberis Aristata** and **Haritaki** are known to support **liver function**, aid in detoxification, and promote the elimination of toxins.
4. **Anti-inflammatory Action:**
 - **Curcuma Zedoaria** (Kachur) and **Daemonorops Draco** help to reduce **inflammation** and support joint health.
5. **Detoxification:**
 - The combination of **herbal ingredients** assists in detoxifying the body and promoting overall **well-being**.
6. **Weight Management:**
 - Herbal extracts like **Kachnar** and **Neem** are known for their potential to support **weight loss** by improving **digestion** and **metabolism**.
7. **Antioxidant Properties:**
 - The herbs possess antioxidant properties that help in fighting oxidative stress and improving **skin health**.

Mechanism of Action:

1. **Berberis Aristata (Daruhalidi):**
 - Acts as a **liver detoxifier** and helps in the **relief of digestive issues** such as **bloating** and **indigestion**.
2. **Amorphophallus Campanulatus (Suran):**
 - Known for its **digestive support**, it helps in reducing **gas formation** and promotes **healthy bowel movements**.

3. **Terminalia Chebula (Haritaki):**
 - Known as the **king of herbs** for detoxification, it supports **regular bowel function** and helps in cleansing the **digestive tract**.
4. **Berberis Rasaunt:**
 - Aids in **detoxifying** the liver and supporting **digestive health** by improving **enzyme production**.
5. **Daemonorops Draco Khoon Kharaba:**
 - Known for its **antioxidant** and **anti-inflammatory** properties, it supports **wound healing** and **gut health**.
6. **Bauhinia Variegata (Kachnar):**
 - Traditionally used for **weight management** and **detoxification**, it also promotes healthy **urinary function**.
7. **Melia Azedarach (Mahanimba):**
 - Helps in **purification** of the blood and supports **immune system health**.
8. **Azadirachta Indica (Neem):**
 - Possesses **antibacterial**, **antifungal**, and **antiviral** properties. It supports **skin health**, **detoxification**, and overall **immunity**.
9. **Curcuma Zedoaria (Kachur):**
 - Helps reduce **inflammation**, relieves **joint pain**, and supports **healthy digestion**.

- Individuals with **chronic digestive disorders**, **liver disease**, or those on other **medications** should consult a doctor before use.
4. **Use with Caution in Children:**
 - This product is not recommended for children under the age of 12 without medical advice.

Contraindications:

- **Hypersensitivity** to any ingredient in the formulation.
- **Pregnant or breastfeeding women** should consult a doctor before use.
- **Children under 12 years old** should avoid use unless directed by a healthcare provider.

Storage Instructions:

- Store in a **cool, dry place**, away from **direct sunlight**.
- Keep tightly closed and out of the reach of **children**.
- **Do not use** if the product is expired or damaged.

Side Effects:

Generally, this herbal formulation is considered safe for most individuals when taken as recommended. However, some potential side effects include:

- Mild **gastrointestinal discomfort** (such as bloating, gas, or mild upset stomach).
- **Allergic reactions** (rare), including rash, itching, or swelling.
- **Headache** or dizziness in sensitive individuals.

Precautions:

1. **Pregnancy and Lactation:**
 - Use during pregnancy or lactation should be under the guidance of a healthcare professional.
2. **Allergies:**
 - If you have an allergy to any of the components (such as **Neem** or **Curcuma Zedoaria**), avoid using this product.
3. **Pre-existing Health Conditions:**

Note: This **herbal capsule** combines **traditional remedies** with modern knowledge to provide **natural support** for various health concerns, especially **digestive health**, **liver detox**, and **immune support**. Always follow the recommended dosage and consult a healthcare provider before use, particularly if you have underlying medical conditions.
