Herbal Relief for Muscular, Joint & Nerve Pain

Description

Saunt 200 mg + Bach 200 mg + Ajwain 200 mg + Sarpagandha 200 mg + Sivas 200 mg + Nirgundi 200 mg + Vatsanabha 200 mg + Kuchla 200 mg + Sendha Namak 200 mg Roll-on is a **powerful herbal formula** designed to provide **fast and effective relief** from muscular, joint, and nerve pain. This roll-on solution combines the medicinal properties of **9 potent herbs** that have been used in traditional medicine for their **anti-inflammatory, analgesic, and muscle-relaxant** benefits. Ideal for conditions such as arthritis, muscle cramps, sprains, and back pain, this product is a **natural alternative** to chemical-based pain relief treatments.

Key Ingredients & Benefits

- Saunt 200 mg**
 - Known for its **anti-inflammatory** and **pain-relieving properties**, it helps reduce swelling and discomfort in muscles and joints.
- Bach 200 mg**
 - Often used for **pain relief**, Bach has soothing effects and supports **joint mobility** while easing inflammation.
- Ajwain (Trachyspermum Ammi) 200 mg**

- Anti-spasmodic and anti-inflammatory**, Ajwain helps alleviate **muscle cramps**, joint pain, and swelling.
- Sarpagandha (Rauwolfia Serpentina) 200 mg**
 - A herb with **calming properties**, Sarpagandha is traditionally used for its ability to relax muscles, ease nerve pain, and **lower stress**.
 - Sivas (Albizia Lebbeck) 200 mg**
 - Known for its **anti-inflammatory** effects, Sivas helps relieve pain associated with **arthritis** and **musculoskeletal disorders**.
 - Nirgundi (Vitex Negundo) 200 mg**
 - Used for its **analgesic** properties, Nirgundi reduces **inflammation** and helps treat conditions like **joint pain**, **rheumatism**, and **muscle stiffness**.
 - Vatsanabha (Aconitum Ferox) 200 mg**
 - A potent herb traditionally used for **pain relief**, Vatsanabha is effective against nerve-related pain and **muscular spasms**.
 - Kuchla (Strychnos Nux-Vomica) 200 mg**
 - Known for its **muscle-relaxant** and **analgesic properties**, Kuchla helps treat **muscular pain** and **nerve disorders**.
 - Sendha Namak (Sodii Chloridum) 200 mg**
 - This **natural rock salt** is beneficial for **detoxification** and provides **relief from pain** and **inflammation** when used topically.

Benefits

- Instant Pain Relief:** Fast-acting formula provides **immediate relief** from muscular, joint, and nerve pain.
- Reduces Swelling & Inflammation:** Combines the powerful anti-inflammatory effects of traditional herbs to **decrease swelling** and improve mobility.
- Muscle Relaxation:** Helps **relax tense muscles** and reduce cramping or spasms.
- Improves Joint Flexibility:** Supports **joint health** and helps improve **range of motion** in conditions like arthritis and muscle strains.
- Herbal & Safe:** A natural solution with no harmful chemicals, ideal for long-term use.

Indications

- **Joint Pain** (e.g., arthritis, gout)
- **Muscle Pain** (e.g., muscle strains, cramps, sprains)
- **Back Pain**
- **Nerve Pain** (e.g., sciatica, neuropathy)
- **Inflammatory Disorders**
- **Stiffness and Swelling**

How to Use

- Apply the **Roll-on** directly to the affected area.
- Gently massage in a circular motion until absorbed into the skin.
- Use **2-3 times a day** or as needed for relief.
- Avoid using on broken or irritated skin.

Precautions

- **External Use Only:** For topical application.
- **Avoid Contact with Eyes:** In case of contact, rinse immediately with water.
- **Allergies:** Check for any allergies to the ingredients before use.
- **Pregnancy & Breastfeeding:** Consult a healthcare professional before use if pregnant or breastfeeding.
- **Storage:** Store in a cool, dry place. Keep away from direct sunlight.

Possible Side Effects

- This product is generally safe when used as directed.
- In rare cases, mild irritation may occur. If irritation persists, discontinue use and consult a doctor.

Disclaimer

This product is a **natural herbal solution** for pain relief. However, results may vary from person to person. For chronic or severe conditions, it is advised to consult a healthcare professional before use.
