

Telbolife 40 Tablet

Brand Name: Telbolife 40 Tablet

Dosage Form: Tablet

Therapeutic Category: Antihypertensive

Composition:

Each uncoated tablet contains:

- **Telmisartan I.P.** – 40 mg

Description:

Telbolife 40 Tablet contains **Telmisartan**, a potent angiotensin II receptor blocker (ARB). It works by blocking the action of angiotensin II, a substance that narrows blood vessels. By inhibiting its effect, **Telmisartan** helps relax the blood vessels, effectively lowering blood pressure and improving circulation.

Indications:

- Treatment of essential hypertension in adults.
- Reduces the risk of cardiovascular events such as stroke and heart attack in hypertensive patients.
- Used alone or in combination with other antihypertensive agents.

Dosage and Administration:

- **Recommended Dose:** 1 tablet once daily.
- **Administration:** It may be taken with or without food. Take the tablet at the same time each day to maintain consistent blood pressure control.
- **Dose Adjustment:** Dosage may be adjusted based on the patient's blood pressure response.

Contraindications:

- Hypersensitivity to Telmisartan or any of its components.
- Severe renal impairment or anuria.
- Pregnancy and breastfeeding.
- Hyperkalemia.

Precautions:

- **Renal Function:** Monitor renal function and electrolytes regularly, particularly in patients with renal impairment.
- **Electrolyte Imbalance:** Patients should be monitored for signs of electrolyte imbalances such as hyperkalemia, hypokalemia, or hyponatremia.
- **Hypotension:** Caution is advised when starting treatment, especially in patients with a history of volume depletion or salt depletion.

- **Hepatic Impairment:** Use with caution in patients with liver disease.

Adverse Effects:

- **Common:** Dizziness, fatigue, back pain, and upper respiratory tract infections.
- **Serious:** Renal impairment, hyperkalemia, hypotension, and liver enzyme abnormalities.

Storage:

- Store below 25°C in a cool, dry place.
- Protect from light and moisture.
- Keep out of reach of children.
