

# Uriviga Herbal Syrup

Cranberry Extract 200mg + D-Mannose 300mg +  
Potassium Magnesium Citrate 978mg Syrup

electrolyte balance, which is crucial for proper  
kidney and bladder function.

---

## Composition

Each 10ml contains:

- Cranberry Extract – 200mg
- D-Mannose – 300mg
- Potassium Magnesium Citrate – 978mg

## Therapeutic Indications

This syrup is formulated to help support urinary tract health and prevent urinary tract infections (UTIs). It is particularly beneficial in:

- **Urinary tract health:** Supports the prevention and relief of UTIs by promoting a healthy urinary tract environment.
- **Prevention of bacterial adherence:** Cranberry extract helps prevent harmful bacteria from adhering to the walls of the urinary tract.
- **Support for bladder function:** D-Mannose, a naturally occurring sugar, helps in maintaining bladder and urinary tract health by reducing the adhesion of bacteria like E. coli.
- **Electrolyte balance:** Potassium and magnesium citrate help maintain electrolyte balance, promoting overall kidney and bladder function.
- **General detoxification:** Helps flush toxins from the urinary system, promoting detoxification and better overall kidney and bladder health.

## Pharmacological Action

- **Cranberry Extract:** Contains proanthocyanidins that help prevent the adhesion of harmful bacteria to the urinary tract lining, thereby reducing the risk of infections.
- **D-Mannose:** A simple sugar that helps prevent bacteria from sticking to the urinary tract walls, particularly in the bladder.
- **Potassium Magnesium Citrate:** Supports the maintenance of a healthy urinary pH and

## Indications

- Prevention and treatment of urinary tract infections (UTIs).
- Maintaining healthy bladder and urinary tract function.
- Promoting kidney health through detoxification and electrolyte balance.
- Relieving discomfort associated with minor urinary tract irritation.

## Dosage

- **Adults:** Take 10ml twice daily, preferably after meals.
- **Children (under 12 years):** Consult a healthcare provider before use.

## Precautions

- If you are pregnant, breastfeeding, or have a medical condition, consult your healthcare provider before use.
- Do not use if you have a known allergy to any of the ingredients.
- If symptoms of a UTI persist, consult a doctor immediately as additional treatment may be required.

## Storage

- Store in a cool, dry place, away from direct sunlight.
- Keep out of reach of children.

## Presentation

- Available in 200ml bottles.

---

Always consult your healthcare provider before  
starting a new supplement or treatment regimen.
