Uriviga Syrup

Product Information: Herbal Syrup

Composition

Each 10 mL of syrup contains:

- **Swet Parpati: 25 mg**
- **Nimbuk Sat (Citrus medica): 1 mg**
- **Yavakshar (Hordeum vulgare): 25 mg**
- **Boerhavia Diffusa (Punarnava): 25 mg**
- **Tribulus Terrestris (Gokshura): 25 mg**
- **Piper Longum (Pippali): 25 mg**
- **Cyperus Rotundus (Nutgrass): 25 mg**
- **Tinospora Cordifolia (Giloy): 25 mg**

Pharmacological Class

- **Herbal/Ayurvedic Medicine: Formulated for urinary, kidney, and digestive health.**

Indications

This Herbal Syrup is beneficial for:

1. **Urinary Tract Health: Relieves symptoms of urinary tract infections (UTIs), including burning sensations, frequent urination, and discomfort.**
2. **Kidney Stones: Aids in the dissolution and prevention of kidney stones.**
3. **Detoxification: Promotes natural detoxification by improving kidney and liver functions.**
4. **Fluid Retention: Acts as a diuretic to reduce water retention and swelling (edema).**
5. **Digestive Support: Improves digestion and reduces acidity.**

Key Benefits of Ingredients

- **Swet Parpati: A traditional Ayurvedic preparation known for treating urinary disorders and reducing stone formation.**
- **Nimbuk Sat: Provides alkalinity, aiding in kidney stone dissolution and reducing urinary acidity.**
- **Yavakshar: A natural alkalizer and diuretic that helps prevent stone recurrence and treats urinary discomfort.**
- **Boerhavia Diffusa (Punarnava): Known for its diuretic and anti-inflammatory properties, it supports kidney health and reduces swelling.**
- **Tribulus Terrestris (Gokshura): Improves kidney and urinary functions, supports prostate health, and acts as a natural tonic for the genitourinary system.**
- **Piper Longum (Pippali): Enhances absorption of other herbs and has detoxifying properties.**
- **Cyperus Rotundus (Nutgrass): Soothes inflammation and relieves pain associated with urinary issues.**
- **Tinospora Cordifolia (Giloy): Strengthens immunity and supports detoxification processes.**

Dosage and Administration

- **Adults: 2 teaspoons (10 mL), twice daily, after meals.**
- **Children (above 6 years): 1 teaspoon (5 mL), twice daily, after meals.**

- **Shake well before use.**
-

Contraindications

- **Pregnancy and Lactation: Use under medical supervision.**
 - **Allergy: Contraindicated in individuals with known hypersensitivity to any ingredients.**
-

Warnings and Precautions

- 1. Consult a healthcare provider before use if you have a chronic medical condition or are taking other medications.**
 - 2. Increase fluid intake to enhance the syrup's detoxifying effects.**
 - 3. Do not use in cases of severe kidney damage without medical advice.**
-

Adverse Effects

- **Common Side Effects: Mild nausea or gastrointestinal discomfort.**
 - **Rare Side Effects: Allergic reactions like rash, itching, or swelling. Discontinue use if these occur.**
-

Drug Interactions

- **Diuretics: May enhance the diuretic effect.**
 - **Antacids: Can be taken alongside but monitor for potential excess alkalinity.**
-

Storage Instructions

- **Store in a cool, dry place, below 30°C.**

- **Protect from direct sunlight and moisture.**
 - **Keep out of reach of children.**
-

Packaging

- **Available in 200 mL and 500 mL bottles with a measuring cap for easy dosing.**
-

Patient Instructions

- 1. Follow the prescribed dosage to achieve optimal results.**
 - 2. Maintain a balanced diet and adequate hydration to support kidney and urinary health.**
 - 3. Consult your healthcare provider if symptoms persist or worsen.**
-

Clinical Benefits

The Herbal Syrup is a holistic Ayurvedic formulation designed to promote urinary tract health, reduce the risk of kidney stones, and support detoxification. With its natural ingredients, it offers a safe and effective approach for overall wellness.
